ADA COMMITTEE

Minutes –Regular Meeting

October 4, 2023 9:30AM

Old Lyme Memorial Town Hall

1. Call to Order
2. Attendance: Amy Bonatti, Katie Balocca
3. Approval of Minutes- Approved
4. Soundview Parking/Handicap spaces: A. Bonatti reached out to Soundview Commission earlier in the week to discuss status of adding a handicap space on the street. No response as of yet. A. Bonatti will follow up with Public Works.
5. Beach Mats appear to have been well-received overall. A resident suggested that the mat at Soundview be adjusted due to the gap between the sidewalk and the mat. The resident was assured that this has already been noted, and that minor modifications for mat placement are being planned for the 2024 beach season. The resident also suggested that vehicles be allowed to drop individuals with disabilities off at the entrance to Soundview beach, adjacent to the mat. Town Police confirmed that this practice is, in fact, permitted.
6. Training: A. Bonatti has completed two ADA trainings, and has researched the logistics of payment for additional fee-based ADA courses, which will be completed as soon as possible.
7. Meeting adjourned, 9:50AM

Respectfully submitted,

Amy Bonatti
