

**MINUTES  
SITE WALK  
OCTOBER 30, 2023**

**PRESENT WERE:** Tom Machnik, Chris Marchant, John Mesham, Mike Miller, Jared Bombaci and Peter Friel.

**ABSENT:** Rachael Gaudio

**5:00 P.M.** Todd Brink – 97 Lyme Street – Garden shed 8 x 16 with shed roof

The commission visited the site. Mr. Brink pointed out the existing stone foundation. He indicated the new shed would be constructed on the existing stone foundation slightly smaller in size. He noted it would look like the existing barn on the site. He also noted it would include a ramp on the side furthest from the wetlands.

The commission authorized the Wetlands Agent to issue an Administrative Permit as there will be no ground disturbance required for the construction of the new shed.

***Todd Crolius and Scott Basham arrived at the 5:15 Site Walk.***

**5:15 P.M.** Roger Davis – 33 Town Woods Road – Gravel driveway over a culvert

The commission walked the site and viewed the proposed location of the new driveway over the existing culvert. Mr. Davis pointed out the area the gravel would be placed.

No action was taken.

This site walk adjourned at 5:24 p.m.

Respectfully submitted,

Kim Groves
