

Harbormaster / Harbor Management Commission

Mooring Service Providers

Boaters are reminded that neither the Town nor the Harbormaster provide any mooring services. The vetted providers listed below have expressed interest in providing tackle services to mooring holders in Old Lyme waters. To begin the process (considered a private transaction), Boaters should contact the provider of your choice directly. Mooring permit applicants should work with their service provider to ensure their mooring meets the MINIMUM mooring standards before requesting inspection from the Harbormaster.

Servicer/Affiliation	Email	Phone
Chad Davenport/ Sound Side Construction	soundsideconstruction@gmail.com	860-575-9134
