6/15 & 8/3/19

VILLAGE DISTRICT ELEMENTS

1. Pedestrian Bridge across Lieutenant River

Durable, Cost effective, maintainable, like bow bridge, wood looking, iconic to Old Lyme

2. Town Green - Views & Activities

Want to be able to do all these things, celebrate the river for everyone
Love bandstand for music & events, include shade trees

Stone planters, non-obstructive, small trees

Make it low maintenance, like bricks can crack and heave.

3. Sidewalk Materials

24

27

15

Make it low maintenance, Handicap accessibility

4. Crosswalk Styles

30

28

15

Make it low maintenance, snow plowable, most durable is best, accommodate bikes

5. Pathway Materials

20

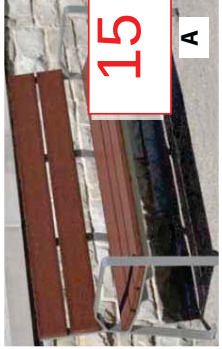

18

12

6. Public Seating

15

12

40

Make it low maintenance, concern about being too hot to sit on in summer, must be comfortable, wood?

7. Pedestrian Lighting

7

32

23

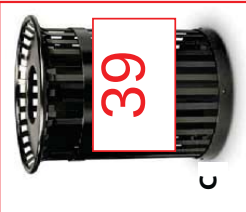

8. Trash Receptacles

21

1

39

Make it low maintenance, wood? Include recycling bins

6/15 & 8/3/19

VILLAGE DISTRICT ELEMENTS

Signage: A variety of signage is key
9. Awnings, sign bands, & blade signs

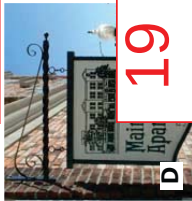

21

14

32

19

Several said don't need these, Variety is key
10. Post Banners

19

33

11. Gates & Railings

29

A - Metal Fence

29

B - Trellis

Several said don't need these

12. Town Gardens

24

A - Borders

36

B - Wildflowers

17

C - Zinc Containers

17

D - Barrel Containers

Make it low maintenance, no weeding, lots of flowers
Year round garden, get duck river involved, use native plants
